12-24 WEEK OLD BABIES*

UP TO 12 LESSONS FREE! NO OBLIGATION.

Did you know...

40 young children in Australia died from drowning last year; 31 of these were under 4 years old. Most drowning deaths occur in backyard pools or bath tubs. Then, there are countless babies and young children with hypoxic brain injuries from near drowning incidents.

Don't let your child be a part of these statistics!
