SUPERFISH

DECEMBER SUNNYBANK EDITION 2017

World class swimming programs. Learn to swim the RIGHT way!

From Andrew and Karen

It has been an enormous year for SUPERFISH SWIM SCHOOLS. We are now into our 21st year, with the opening of our 3rd centre at Benowa adding another much needed SUPERFISH facility on the Gold Coast and now having just celebrated our 1st year.

Remember, all of our babies and toddlers (D1, D2 & D3's, FC1 and FC2) are Welcome to come into the Centre (outside of their lesson times) and practice for FREE! We really encourage parents to take up this offer. It makes a HUGE difference in progression when babies and under 5's can reinforce learning and are swimming more than once a week!

Our higher level school aged children are swimming beautifully, with some outstanding results in recent school carnivals. We also have implemented FUN FRIDAY RACE NIGHTS at BENOWA and SUNNYBANK which have been a huge success in the later part of 2017 – we are teaching the children how to race but in a FUN FILLED environment.

Pacific Pines has been busy with its SUPERFISH SWIM CLUB. We really appreciate the involvement of all the committee and parents that volunteer to make these nights and swim meets possible. We have welcomed NEW MEMBERS from both BENOWA & SUNNYBANK.

Our School Holiday Intensive Programs continue to be a sell out! NEW DATES are available now for December 2017 and January 2018. See administration for early registration. This program is available to all levels, Dip 1 to Squad 4. It is a great way to fast track your child's swimming development and work on areas that need extra one on one attention during the school holidays.

We are so PROUD of our TEAM at SUPERFISH as they offer our young swimmers quality learn to swim lessons from babies right through to our SQUAD children. We really love to watch them develop their skills and continue on their swimming journey all year round. MASSIVE CONGRATULATIONS to all of our SUPERFISH PARENTS and CHILDREN for making swimming lessons a PRIORITY throughout 2017, in turn giving them a much needed SKILL FOR LIFE!

We would like to thank our wonderful TEAM of Teachers & Administrators, for their hard work & incredible skills; we are very passionate about what we do and why we do it!

We look forward to seeing you at the Children's Christmas pool party on Friday the 15th of December.
